ORDER

In view of the increased intake of students and the first autonomous batch of students entering the final year of their program, it has become necessary to restructure certain administrative positions to ensure greater focus on the overall development of students and smooth functioning of the institution.

This semester onwards, skill-oriented programmes like Codethon, Hackathon, Ideathon, Project Expo and other industry-relevant activities will be conducted once every two weeks following appropriate preparatory sessions and guidance for the students. These programmes will be organized by a team of Dr. R. Arichandran, Associate Professor of ACSE, Prof. R. Veerababu, HoD of IT and Mr. V. Papa Rao, Associate Professor of ACSE in addition to the regular academic schedule and aptitude/technical training classes. A detailed activity plan and schedule will be communicated to the students shortly.

The faculty members of Departments of CSE & ACSE and the respective Heads, Dr. K. Venkateswara Rao and Dr. U. Usha Rani shall work together to strengthen student development initiatives and academic excellence.

Similarly, the faculty members of Departments of BS&H-CS & BS&H-CE and the corresponding Heads shall also work collaboratively to effectively mentor, motivate, and support first-year students in adapting to engineering education and developing the necessary academic and professional skills.

All students and staff members are hereby informed to take note of the following administrative changes, which have been implemented to ensure the efficient conduct of academic and student development activities. The academic workload of the faculty members shall be shared appropriately among the respective Departments, wherever necessary.

The following administrative changes shall come into force with effect from 10th July 2026.
